

I do NOT want the no call list changed or weakened. Having to screen the phone for fear of getting telemarketing calls for things I have no interest in. I don't want telemarketers to have access to my cell phone so that I pay for calls I don't want to get. Telemarketers screen their phone nos. so you don't know who is calling you. I DON'T WANT MY PHONE TO BE USED AS A TOOL FOR MARKETERS. I WANT MY PHONE FOR TALKING TO PEOPLE THAT I CHOOSE TO CALL OR RECEIVE CALLS FROM. Thank you.
